Mr. Duffy,

Thank you again for your assistance and education regarding the asbestos exposure in our home in Ocean City, Md.

I know you are incredibly busy, but it would help us immensely if you could tell us the protocol for asbestos clean up. We have been unable to find any direction, recommendations, guidelines or protocols.

We are down to the wire in having the ability to stay in a hotel and with safety as our top priority want to properly clean up any and all friable asbestos released in our home so we may safely return home.

Regards,
